ASSIGNMENT OF SUBLEASE AND AGREEMENT, dated as of and effective as of April 16, 1982 (hereinafter called the "Assignment"), by and between **ITEL CORPORATION**, a Delaware corporation (together with its successors and assigns, being hereinafter called Itel) and **FIRST SECURITY BANK OF UTAH, N.A.**, as Trustee, a national banking association, incorporated and existing under the laws of the United States of America (hereinafter called the Trustee).

WHEREAS, Itel and the Trustee have entered into an Equipment Trust Agreement, dated as of November 1, 1978 (such Equipment Trust Agreement, together with any amendments or supplements thereto, being hereinafter called the Agreement); and

WHEREAS, Itel and East Camden and Highland Railroad Company (hereinafter called "EACH") entered into a lease of Equipment (as defined in the Agreement), dated as of April 26, 1978 (such lease, together with any amendments or supplements thereto, being hereinafter called the "EACH Lease") providing for the leasing by Itel to Lessee of certain units of Trust Equipment (as defined in the Agreement); and

WHEREAS, the EACH Lease may also cover the leasing to EACH of other equipment not included as part of the Trust Equipment; and

WHEREAS, EACH, with the consent of Itel, subleased to the Green Bay and Western Railroad Company (the "Sublessee") twenty-five (25) of the units of Trust Equipment subject to the EACH Lease by means of a sublease agreement dated October 21, 1981 (such sublease, together with any amendments or supplements thereto, being hereinafter called the "Sublease"); and

WHEREAS, Amendment Number 1 to the Sublease, dated April 16, 1982, added to the Sublease twenty-five (25) additional units of Trust Equipment subject to the EACH Lease with Itel's consent; and

WHEREAS, EACH has changed the reporting marks on the fifty (50) units of Trust Equipment subject to the Sublease (such Trust Equipment being hereinafter called the "Boxcars") by remarking them from the EACH reporting marks set forth on Annex 1 attached hereto to GBW 10000-GBW 10049; and

WHEREAS, the Sublease may also cover the subleasing to the Sublessee of other equipment not included as part of the Trust Equipment; and

WHEREAS, in order to continue to provide security for the obligations of Itel under the Agreement, Itel agrees to assign for security purposes only its rights in, to and under the Sublease to the Trustee as and only to the extent that the Sublease relates to the Boxcars.

NOW, THEREFORE, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Itel hereby assigns, transfers and sets over unto the Trustee, as collateral security for the payment and performance of Itel's obligations under the Agreement, all of Itel's right, title and interest, powers, privileges and other benefits under the Sublease as and only to the extent that the Sublease relates to the Trust Equipment set forth in Annex I hereto, including, without limitation, all rights to receive and collect all rentals, profits and other sums payable to or receivable by Itel from the Sublessee under or pursuant to the provisions of the Sublease to the extent that the same are payable in respect of such Trust Equipment, whether as rent, casualty payment, indemnity, liquidated damages or otherwise (such monies being hereinafter called the Payments); **PROVIDED, HOWEVER,** that until an Event of Default under the Agreement, or any event which, with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that Itel shall be entitled to collect and receive all such Payments and to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Sublease, and to apply all Payments to which Itel is entitled to the payment of any and all of Itel's obligations under the Agreement and to retain the balance, if any. In furtherance of the foregoing assignment, but subject to the foregoing provisions of this paragraph, Itel hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of Itel or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which Itel is or may become entitled under the Sublease, and to enforce compliance by the Sublessee with all the terms and provisions thereof. Whenever the Sublease covers other equipment not included as part of the Trust Equipment and the amount of any payment due to Itel under such Sublease as car hire payments (including both straight and incentive per diem), mileage charges or other rental revenues is calculated on an aggregate basis for all equipment leased thereunder, for the purposes of this Assignment an amount equal to the Assigned Fraction (as hereinafter defined) of each such payment shall be deemed to be payable with respect to such Trust Equipment leased under such Lease. The term "Assigned Fraction" as used herein shall mean a fraction the numerator of which shall be the number of units of equipment comprising the Boxcars subleased under the Sublease and the denominator of which shall be the aggregate number of units of equipment (including the Boxcars) at the time subleased under the Sublease.
2. This Assignment is executed only as security for the obligations of Itel under the Agreement and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify, the liability of Itel under the Sublease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of Itel to the Sublessee shall be and remain enforceable by the Sublessee, its successor and assigns, against, and only against Itel or persons other than the Trustee.

4. Upon the full discharge and satisfaction of all of Itel's obligations under the Agreement and this Assignment, all rights herein assigned to the Trustee shall terminate, and all estate, right, title and interest of the Trustee in and to the Sublease shall revert to Itel.
5. Itel will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file, register, deposit and record (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure, the interests of the Trustee hereunder.
